Dear Residents and Family members,

I would like to give you some good news! We are now working on a plan to reopen outside visitation and dining room. In order to do this, it is taking some methodical planning on our part.

We will begin outside visitation on Monday August 24th and communal dining on Wednesday August 26th. As I stated in my other letters this is dependent on if we stay Covid-free and unfortunately could change at any time. Again, as mandated by the State, in the event of a positive resident or staff case at Mars Hill, we will notify you of the need to stop visitation.

Our plan is to continue delivering breakfast in your apartments. Lunch and dinner will be in two shifts, 11:30am and 12:30pm for lunch and 4:30pm and 5:30pm for dinner. Residents will be designated as Group A: 11:30/4:30 dining times and Group B 12:30/5:30 dining times.

We will be in touch with each resident this week to let them know which group they will fall into. The time between meals will be used to perform cleaning of the area.

Thank you as always for your understanding in this ever changing world
