

October 1,2020

Dear Residents and Family Members,

I am pleased to inform you we are going to be able to offer indoor visitation starting Monday October 5th. This will only be offered in the conference room as you enter the building because of our restrictions that are still in place.

There can be no more than two visitors at a time and you will need to make an appointment, just as with all other visits. The same rules apply with masks, social distancing and time restrictions (45 minutes per visit) to allow us to follow sanitation guidelines.

We are able to do this because we have no positive cases in the last two weeks. If we do get positive cases we will have to stop visits again until we are covid-free for another two weeks. It is imperative to follow our guidelines to keep visitation open for all our residents.

Thank you for your continued understanding.

Richard H. Pridgen

Administrator
